THE GROWING DIVIDE

WHY ISO 13485:2016 IS THE ONLY CHOICE WHEN IT COMES TO PATIENT SAFETY

ARE YOUR VENDORS UP TO DATE?

The medical device industry has shifted to a higher standard, introducing a growing divide in quality and patient safety assurance.

General

ISO 9001:2015

A generic framework to enhance customer satisfaction in a wide range of industries; not focused on the safety and efficacy of medical devices.
